## Newsletter 19/05 June 2026

Dear Parents/Guardians

### CONTROLLED TESTS

Controlled Tests for Grades 4 to 7 will continue **Monday, Tuesday and Wednesday** next week. Once testing concludes, all marks will be processed in preparation for the Departmental Schedules and Report Cards.

Further information regarding the distribution of Report Cards will be communicated in due course. Parents of learners who did not meet academic expectations will be contacted and invited to the school to sign the necessary documents. Report Cards for these learners will be available for collection at the time of signing.

If you have any questions or require clarification on these arrangements, please do not hesitate to contact the school office.

### SCHOOL TIMES

A reminder that the school day begins promptly at **07:20**. All learners must be seated in their classrooms by this time. Please note that late arrivals will be marked as absent for the day.

It remains the **responsibility of parents or guardians** to ensure that learners arrive and are collected on time—even when transport is provided by a third party. The school day ends at **13:00** (Monday to Friday), and all children must be collected by **13:15**.

We have observed an increasing number of children being left at school for extended periods after dismissal. This is concerning, and in some cases, transport providers and parents have responded inappropriately when contacted by the school. We kindly request your cooperation in addressing this matter responsibly.

### SCHOOL FEES

We sincerely thank all parents who have kept their school fee accounts up to date. Your continued support is deeply appreciated.

Please be advised that **outstanding fees without formal arrangements have been handed over for debt collection**. If you are experiencing financial difficulties or have any concerns regarding fee payments, we urge you to contact **Mrs. Lynch** without delay to discuss available options.
